

Baron Wimborne

whose appointment as Lord Lieutenant of Ireland has been announced. He is famous as a poloist and is enormously wealthy.

Women's Institute

The monthly meeting of the Women's Institute was held last Saturday with a very good attendance. The President, Mrs. Lees, was in the chair. The minutes of last meeting were read and adopted.

The question of forming a branch of the Consumers' League in Red Deer was brought up again, but it was decided to hold the matter over until further information could be obtained from Calgary and Edmonton as to the working of the League there.

Mrs. Lord read the Treasurer's report of the local relief fund, showing a balance in hand of \$125.11. The programme committee then submitted the programme for the year 1915 to the meeting. This programme will be published next week.

Mrs. Woodworth kindly invited the Society to hold the meeting in September at her home.

The Secretary read a reply from Mr. Mann in answer to the Society's request to be allowed to cater for the players at the hospital to be held early in February. Mr. Mann's letter stated that as the Women's Institute intended to devote the proceeds to the local charities, the committee was willing to let them have the catering, otherwise it would have been given to the Ladies' Aid of one of the churches.

The question of helping to provide stationery, reading, games and other amusements for the recruits now training in Red Deer, was discussed, and on the motion of Mrs. R. L. Gaetz, seconded by Mrs. Greeno, the Society decided to send \$10.00 to Dr. Wilson to be used for the benefit of the recruits.

The President gave a very interesting reading from an article entitled "The New Militants," by Cora Harris, which appeared in the Saturday Evening Post of November 21st. This article tells what the Englishwoman, or rather the British woman, is doing and has done since the war began. She is equal to every loss—every hardship—every emergency—except the loss of confidence in her men's courage and ability to accomplish victory.

A hearty vote of thanks to Mrs. Lees for her splendid talk, was proposed by Mrs. J. L. Gaetz, seconded by Mrs. Pearson.

The meeting then adjourned.

Grassy Lake

A dance was held at the Sim Bros. on January 1st in aid of the Red Cross Society. The guests were charged 50c, and the ladies were admitted free. This was one of the best crowds ever seen at a dance in our district, which goes to show how the people around here have entered into the spirit of patriotism. There were \$28 gained at this dance, which makes a total of \$80 raised for patriotic purposes. We think if our neighboring districts would equal this, the Red Cross of the country would be well known, and we are quite sure that we can do even better than this, for we intend to keep the good work going on until such for such purposes is no longer needed.

Poplar Ridge

School will open Monday, January 18th, with Miss Huber, of Berlin, Ont., as teacher. The annual school meeting was held last Saturday, the 9th, and passed off very quietly. Mr. Hunt was re-elected trustee for the next term. Dave Lamont, also his sister, Mrs. Gwyn, and daughter, of Saskatoon, were visiting Mr. Lamont, Sr., last week. We are sorry to hear Mr. Wm. Stewart is ill.

Italian fleet sail under sealed orders. Nation on verge of war with Turkey--Roumania will also enter war on side of Allies--Britain sending thousands of men to France weekly--Mine sends German cruiser Bremen home crippled--Wreckage indicates Karlsruhe has been sunk--Berlin people greatly depressed--French march towards cities on the Rhine--Germans fought to standstill in Poland--Recruits found under influence of liquor will be summarily dismissed.

RAPINE, PILLAGE AND MURDER IS CHARGED AGAINST GERMANS

Guilt of Kaiser's Soldiers is Proven by Many Witnesses; Commission Reports

Paris, January 7.—The commission appointed on September 31 to inquire into accusations that German officers had acted "savagely and inhumanly" against French civilians and soldiers, says in its report, made public today by the French cabinet: "We must conclude that there never has been war between civilized nations of so savage and ferocious a character as that waged upon our soil by our implacable adversary. Pillaging, ravishing, burning, murder, are ordinary practices of our enemies and facts collected in many cases prove that the German claims that the killing of civilians was due to firing of the population, are unfounded."

"We found proof of the existence in the German army not only of a systematic plan for burning villages, material for this purpose, including torches, grenades, fuses, oil sprayers, sticks of inflammable material and sacks of very high explosives."

"Ravishing of women and girls was so frequent that the number of cases reported were only a small part of those which might have been investigated. The commission says the victims of these crimes act generally refused to testify, because it would compromise their future."

The cabinet has been withholding the report, because, it is said, it did not want to further excite public feeling. The conclusion of the commission forms about twenty new newspaper columns. They review in detail instances which the commission says were established under oath from the German army and the usual form of judicial procedure.

Clearview

The young people of this neighborhood spent a most enjoyable evening at the home of Mr. Thomas Spence on Friday. Mr. Spence's men, Ralph Wilkins and Jack Paton, have enlisted and hope to pass the medical examination on Monday. After a jolly good fellow, the two men received the good wishes of all the young people. Miss Patterson, who presided, presided over the evening, received a handsome card of thanks.

Don't forget the Institute dance to be held at the home of Mr. Thomas Spence, some time next month. The proceeds will aid the fund for literature and stationery for the troops stationed here.

Miss Addie McKinnon is spending a few days visiting Miss Van Slyke.

The young people of Clearview intend going skating again this week. Keep your eyes (and ears) open, and when we go, go.

Red Meers returned from Normal School on Monday morning to be examined by Dr. George.

L.O.D.E.

The regular monthly meeting of L.O.D.E., held in the city hall, was presided over by the Regent, Mrs. Greeno. The time was given up entirely to business. A letter from the Canadian Red Cross Society, asking for a donation, was read. The Treasurer reported \$110.00 bank balance, \$37.00 of this amount to be sent to the Belgian relief fund, the amount collected from sale of scarf which was displayed in McClean Bros' store. The Chapter decided to donate a medal to the best student of history in Grades IX and X, respectively in the High School, also one in the Alberta Ladies' Aid.

The meeting opened and closed with the usual ceremony.

Roumania is Mobilizing 750,000 Men

London, January 9, 2.37 a.m.—The Morning Post's Bucharest correspondent says: "Roumania is mobilizing 750,000 men of which army, half a million forms the field army. Roumania will strike even should Italy decide not to enter the war."

MOUNTED RIFLES RECRUITED MONDAY

Many Disappointed

Major H. L. Gaetz and staff commenced recruiting for C. Squadron Mounted Rifles on Monday morning at 9 o'clock. Hundreds of men answered the call of duty, but disappointment was in store for the majority of the men when it was announced that only 94 men were to be taken on.

The list was then read, and the first 94 names given were told to wait with a view of passing the doctor and other military tests. There is no doubt the reduction from 152 to 94 was very keenly felt, for the men had come in from all parts of the district, many of them arriving on the noon trains.

The same disappointment awaited men willing to join the first and second contingents, and there is no doubt it is hard on patriotism. In an interview with Major Gaetz, he stated that the reduction in recruits was solely due to the lack of equipment, and that more men would be recruited as equipment became available.

The men take their meals at the restaurants and sleep in the army, where temporary bunks have been fitted up. The officers are hard at work doing what they can for the men, and are receiving able assistance from: Rev. Dr. Wilson, Chaplain of the 35th C.A.H. Following are the officers:

Major—H. L. Gaetz, Red Deer. Captain—R. E. A. Lloyd, Medicine Hat. Lieut.—J. C. Thorne, Calgary. Lieut.—H. R. Scott, Quebec. Lieut.—H. W. White, Red Deer. Squad Sgt.—Major—J. Oliver, Red Deer. Quar. Mas. Sgt.—T. M. Wright, Red Deer. Farrier Sgt.—J. McEwan. The other N.C.O. are to be appointed.

Germans Using Steel Shields

Petrograd, January 8.—The Germans determined efforts to carry the Russian lines in the vicinity of Bolzov by charges has given way to tactics only employed against regular fortresses. One novel method of attack now employed is to advance under the protection of steel shields, which are bullet proof, and to push forward gradually by crawling of rifle men. It will be remembered that something of this nature was frequently suggested for facilitating frontal attacks against modern rifle fire during the South African war, but it was not actually employed.

The Germans used shields in a night attack with some success, but the success was only temporary. Before dawn they were driven out of the trenches by bayonet attacks, leaving heavily, those left alive being taken prisoners, with five maxima. This took place before daybreak on Wednesday.

From accounts which have been received it is evident that this portion of the Russian trenches was attacked by a German regiment, but there is no information as to how many men of the regiment actually reached and won the Russian trenches. It would have been an invaluable position, for many guns mounted on the steep hills here would have enfiladed the Russian trenches.

The annual meeting of St. Luke's congregation will be held tonight in the Parish Hall.

At Red Deer, Saturday, January 9th, to Mr. and Mrs. P. Thornhill, a son.

At West Park, Red Deer, Monday, January 11th, to Mr. and Mrs. Chas. Comer, a daughter.

At Red Deer, Saturday, January 9th, to Mr. and Mrs. P. Thornhill, a son.

War Has Cost Six Million Men, Dead, Wounded and Missing

Seven Billion Dollars is Total Expenditure in Five Months.

London, January 7.—At the end of the Old Year statisticians computed that five months of the greatest war of history had cost the nations involved six million men killed, wounded and captured, and seven billion dollars. These figures are subdivided as follows:

Great Britain—800 officers killed, 4,000 wounded; 25,000 missing. France—Total casualties, 1,100,000, of whom 180,000 have been killed.

Russia—Total casualties 1,800,000, of whom 250,000 have been killed. Belgium—30,000 killed, 68,000 wounded, 25,000 captured.

Serbia—Total casualties 170,000, of whom 100,000 have been killed. Germany—250,000 killed, 850,000 wounded, 400,000 missing.

Austria—Total casualties, 1,500,000, of whom 160,000 have been killed.

Expenses. Great Britain—\$225,000,000 a month, or \$1,225,000,000 a year. France—\$300,000,000 a month, a total of \$3,600,000,000.

Russia—\$500,000,000 a month, a total of \$6,000,000,000. Germany—\$300,000,000 a month, a total of \$3,600,000,000 at home, in addition to paying the expenses of her ally, Turkey.

Austria—Estimated to total \$1,000,000,000. The addition of all the warring nations, said to have lost perhaps as much as they have spent by the paralyzing of commerce and industry by way of Tetz, and that Austria's financial authorities say the war must end within the next five months.

Roumania Prepares to Enter Great War

Diplomatic Service in Berlin and Vienna Will be Locked After by United States.

Paris, January 7.—It is learned from a private source, but from one worthy of credence, that arrangements whereby the interests of Roumania in Berlin and Vienna will be attended to by the United States diplomatic service have been definitely made. This can mean but one thing, in the opinion of the Roumanian legation here—that Roumania would prefer to wait until Russia's operations through Bukovina had further developed across the Carpathians.

Roumania, though ready to place 500,000 troops in the fighting line immediately, is not ready enough to face unreserved the prospect of a long war. Every month that has been passing has been reducing the period of Roumania's inevitable cooperation with the allies. Only cold, practical facts have kept Roumania aloof so far.

Good Wishes From the Battle Front

France, Dec. 13th, 1914.

To the News Editor. Dear Mr. Garswell.—Would you kindly in your paper remember me to all my friends in Red Deer. I am in good health and full of patriotism, and in duty since the 10th of September.

Hoping to see you again when France, England, Belgium and Russia will be victorious. A Merry Christmas and Happy New Year to all of you.

Yours very respectfully,

J. B. DURAND.

Austria Begins to Fortify Line Facing Italy

Geneva, via Paris, January 8.—A despatch from Innsbruck says that a German army corps, consisting chiefly of young men from Wurtemberg, arrived at Salzburg yesterday by way of Tetz, and that Austria had begun to fortify the line of Brizen-Meran-Bozen-Trento, facing the Italian frontier.

A number of batteries of heavy artillery and howitzers, the despatch adds, have been brought to Innsbruck and are being laid down and roads remade under the supervision of German and Austrian officers.

250,000 Men in Alsace Battles

Geneva, via Paris, January 8.—The fighting in lower Alsace is daily growing in intensity around Stenbar, Geay and Thun. Villages, houses and trenches are taken and retaken at the point of the bayonet, and the casualties of both sides have been extremely heavy.

It is said that about 250,000 in all are engaged and that both sides are using heavy guns. The Germans are continuously hurrying reinforcements from the Rhine forts.

Gen Pau, it is said, is in command of the French forces, which have made progress despite the fierce resistance of the Germans. French aviators from Bellort are assisting the artillery, the bombing of which is heard day and night in the neighborhood of the frontier.

At the Italian consulate in Switzerland Italians have to military service are now reporting themselves.

RUSSIAN HEROISM

Go Down With Ship Rather than Surrender

Petrograd, January 7.—In the ever-growing company of heroes which the war has produced there is an important place for Lieut. Ragusski. And beside him stand 17 Russians, the crew of the transport steamer Pruth, which now lies in the slime of the Black Sea, a prisoner of war. When the Turkish warship Goeben swept down on Sebastopol after shelling Odessa, the transport Pruth was two miles off shore. Not a soldier was on board, but underhatches was a valuable cargo of supplies for the Russian fleet.

The Pruth had hardly begun to plug along when a shell tore a hole in the fore deck. Another carried away her bows and a wireless signal to stop was received by her operator, Lieut. Ragusski, the commander, came on deck at that moment. He looked over his shoulder at the Goeben, and figured that the forts would help him. So he ran up the war flag and telegraphed the fleet command.

The Pruth had hardly begun to plug along when a shell tore a hole in the fore deck. Another carried away her bows and a wireless signal to stop was received by her operator, Lieut. A Canadian Remount Officer

Colonel Grant Morden, of Montreal. He established a remount depot in France and returned to London with his hearing temporarily affected by shell fire.

BONSPIEL AS USUAL

Dates Feb. 2-3-4-5

The Red Deer Curling Club held a meeting on Monday afternoon to receive the report of the subscription committee. The report was a very favorable one, showing that the citizens have responded to the request for bonspiel funds in the usual style, with the result that the annual bonspiel will be held February 2nd, 3rd, 4th and 5th, and the prizes will compare favorably with other years. The Women's Institute were granted refreshment privileges on account of the charitable work they are doing this winter.

Second Series of Provincial High School Debate.

On Friday, January 15th, at 8 p.m., the second round of the Provincial High School debate takes place in the assembly hall between the Red Deer and the Calgary schools. The subject is the same as in the first series, "Resolved that the large consolidated rural school is preferable to the small rural school." The debaters going to Olds are Messrs. Julius Grimson and George Wade in support of the resolution; in Red Deer, Miss Annie White and Wm. Carr take the negative.

The subject of consolidation of schools is receiving the attention of the Department of Education, and should be of considerable local interest, as there is little doubt if it should be generally adopted, neighboring districts would become consolidated with Red Deer school district. The debaters on both sides in the preliminaries had arranged their arguments pro and con very creditably. The Red Deer students won the first series by a large margin, and every effort is being made to assure success again.

It would greatly encourage the pupils and debaters if the citizens would indicate their interest by increased attendance. To defray the expenses of the debaters going to Olds the pupils charge an admission of ten cents.

Messrs. H. Gaetz, E. G. Johns, and Rev. W. G. Brown have kindly consented to act as judges.

Penhold

Penhold is well to the fore in its contribution of men going to the front. With C. Squadron, now being formed in Red Deer, we hear the following have enlisted: Jack Morris, Charlie Weaver, Willie Whiteside, Joan Quantz, J. Stevens, J. Beckett, J. E. Hives, Edmund Hives, R. C. Cadver, Clayton Quantz, and some others. These men are all steady and reliable, and include Jack Hives, the Captain of the Penhold Rifle Association, and his brother Edmund, also Mr. Coffey, our school teacher. These men should be wearing stripes before long.

The local ladies are sending another shipment of supplies

Look!

If you were told of a new discovery for the treatment of coughs, colds and bronchitis, as certain in its action on all chest troubles as anti-toxin is on diphtheria, or vaccination on small-pox, wouldn't you feel like giving it a trial? Especially if you could try it for fifty cents!

Peps is the discovery! Peps is a new, really wrapped in air and germ-proof silver foil. They contain certain medicinal ingredients, which, when placed upon the tongue, immediately turn into vapour, and are at once breathed down the air passages to the lungs. On their journey, they soothe the inflamed and irritated membranes of the bronchial tubes, the delicate walls of the air passages, and finally enter and carry relief and healing to the capillaries and red air sacs in the lungs.

In a word, while no liquid or solid can get to the lungs and air passages, these Peps fumes get there direct, and at once commence their work of healing. Peps are entirely distinct from the old-fashioned liquid cough cures, which are merely swallowed into the stomach, and never reach the lungs. Peps treatment of coughs and colds is direct treatment.

If you have not yet tried Peps, cut out this article, write across it the name and date of this paper, and mail it (with 10c stamp to pay return postage) to Peps Co., Toronto. A free trial packet will then be sent you. All druggists and stores sell Peps at 50c. box.

DISTRICT NEWS

Will our district correspondents please note that news items should reach us by Saturday, or not later than the noon mail Monday, for the current week's issue. Correspondents for unrepresented districts are wanted. Let the people know you are on the map.

INNISFAHL.

Innisfaul's new Council got off to a good start on Monday, January 4. Officials were re-appointed, committees drafted, and other business put through.

The preliminary hearing of the case against Mr. and Mrs. Whitcomb, charged with conspiracy to defraud, was heard Monday, January 4th. The accused were committed for trial. Bail allowed.

Rev. A. C. Tate, who has had charge of the Church of England Parishes of Didsbury and Hamman, has arrived in Innisfaul to take charge of the parishes of Innisfaul, Bowden and Olds. The Rev. W. B. Church is leaving for England.

ROCKY MOUNTAIN HOUSE.

\$27.00 was contributed by the citizens of the village for the Sunday School Christmas tree. The children put up an exceptionally good entertainment programme, which was greatly appreciated.

Curling is going great guns just now, the ice being in good shape.

Visitors from Leslieville and Rocky Mountain House report a very enjoyable time in the Finn Hall on Christmas night. The concert programme, speeches and supper were of high merit. A dance was held after.

DIDSBURY.

The first meeting of the new Council was held on Monday. Mayor Osmond outlined work for the coming year, also read rules for the benefit of the new Councilmen. Committees were appointed, and a new by-law passed dealing with the misuse of the fire alarm, for which a fine will be imposed ranging from \$10 to \$50.

Congratulations to Private Owens.

PENHOLD.

The Penhold Rifle Association dance, which took place on December 31st, was, as usual, a great success, everybody enjoying themselves. The number present was satisfactory, the proceeds being \$39.00, and after the expenses are cared for the patriotic fund will benefit. The dance was by the Brooks orchestra and was good. Mr. E. Hiver was floor manager and acquitted himself well.

H. Domoney is to be congratulated. Nothing like a boy for an heir.

The service in St. George's Church, a week ago Sunday, was well attended. Jack Hart shipped hogs on Monday, January 4th, and paid for. There was a very large number of hogs brought in, four car loads being shipped out.

SPRINGVALE-CLEARVIEW

LADIES' INSTITUTE.

The Springvale-Clearview Ladies' Institute met for the January meeting on Wednesday afternoon, the 6th, at the home of Mrs. Thos. Moore.

The President, Mrs. Saunders, presided. Each member answered To do the roll call by a New Year's resolution. The minutes of the December meeting were then read and adopted, after which the regular business was transacted, and several new members joined. A short programme was then given, as follows: Instrumental duet, Mrs. Saunders and Miss Max Miesner; paper by Mrs. Eversole on "the preparation and cooking of the cheaper cuts of beef," and a paper on "How to extend the Institute work and maintain interest," by Miss Mina Patterson. Lunch was served by the hostesses. The February meeting will be held at the home of Mrs. Saunders.

BINGLEY.

One of the most enjoyable gatherings ever held in this district took place in the school house recently, when a Christmas tree for the children was given, followed by a concert, and thereafter by a line dance. The school being now closed for the winter months, the term finished up with a programme of choruses and recitations by the children, trained by the teacher, Miss Weston. A recitation was given by Mrs. Coleman. A violin solo was played by Mr. Neal, with organ accompaniment; and a quartette was rendered by Messrs. H. and G. Turton, Hambrook and McCounchie. Songs were also given by Mr. Butterwick and J. D. Meston. After this delightful concert, dancing was commenced, during which the ladies of the district gave a supper which was much appreciated. Good dance music was supplied by Messrs. Larsgard and Meston.

NIGHT SCHOOLS IN ALBERTA

Marked Progress Made—Condition Retard Development in Cities—Special Progress in Mining Centres.

The policy of developing a system of night class instruction throughout the province for those engaged in the mining and manufacturing industries who are unable to take advantage of such instruction as is provided in the day time, is already showing notable results and fully justifying itself. Last year such instruction was confined to the cities, Calgary leading with a splendid enrolment of 1,500. Lethbridge and Medicine Hat had also made distinct progress, and Edmonton a good beginning in offering night class instruction at the University.

In the autumn the provincial policy for development of special and technical instruction was announced. It provided financial aid to help the rural communities in developing the work and included within its scope the night schools. The results so far attained are on the whole very gratifying, especially under the conditions now existing. While the enrolment will no doubt increase with the opening of classes after the holidays, the following statement shows how it stood in December:

Edmonton	1,200
Calgary	1,500
Medicine Hat	100
Taber	75
Bellevue	70
High Level	60
Medicine Hat	60
Bankhead	42
Frank	40
Coaldale	37
Ganmore	35
Drumheller	25
Puchonts	25
Sloan	20
Clover Hill	16
Lethbridge (Hardville)	14
Loventh	12

It is expected that with the beginning of the New Year classes will be organized in Nordegg, Mountain Park, Yellow Head, Evansburg, Cardiff and possibly Blairmore and Lethbridge. If this expectation is realized, it is probable that the enrolment in the night schools of Alberta this winter will reach a total of 3,000. When it is known that in 1912-13 the enrolment in night classes was 2,103 in Nova Scotia and 4,773 in Ontario, including the city of Toronto—figures in which the work has been developing for some years—the significance of what is being accomplished in Alberta can be realized more fully. While reports from other provinces for the current winter are not available, it is more than probable that Alberta will take second place among the provinces in the enrolment in the development of the night school system.

Information For Farmers From the Seed Branch, Ottawa.

Bulletin No. S-8 of the Seed Branch, Dominion Department of Agriculture, is now in press, and will soon be available for distribution through the Publications Branch, Ottawa. It is published to meet the great demand for "Farm Weeds," which was revised and enlarged in 1909. This further revision and extension contains 150 old half-tone illustrations of weeds and weed seeds. Among other matters, it treats of the condition of seed grain actually been used by Canadian farmers and the distribution of weed seeds by commercial grain, mill feeds and screenings from terminal elevators.

SOWING WEEDS IN SEED GRAIN.

In the spring of 1913 officers of the Seed Branch took samples, representing as accurately as possible the average seed in the elevators visited, from over 2,000 farmers throughout Canada. 978 samples of seeds were analysed at the Ottawa Seed Laboratory, and 541 of these, or 56 per cent., contained an average of 76 noxious weed seeds per pound, the highest number being 4,838 in the pound, 960 or 38 per cent. of samples contained an average of 329 of other weed seeds, the highest number being 6,954 per pound. With the weed seed content, and the rate of seeding reported an average of 6,400 noxious, and 20,800 other sorts of weed seeds would be seeded on each acre of land in seed. Barley and wheat showed similar results. Some of these weed seeds are difficult to clean out, but most of them can be separated by a fanning mill properly equipped and well operated.

WEED DISTRIBUTION BY FEED GRAIN.

Ordinary commercial grades of grain coming out of terminal elevators are foul with weed seeds. Analysis of five samples of No. 2 Canada Western oats taken from as many terminal elevators showed 313 noxious weed seeds per pound and a much larger number of other weed seeds. In transportation some of these are distributed along the railroad and introduced into new localities. Many wild oats and mustards in uncleaned oats to horses will live and pollute farm lands. Others become mixed with the manure in handling dirty grain and other feeds. Such feeds should be thoroughly ground, and weedy manure should be heated or rotted in order to destroy the vitality of weed seeds.

Made-in-Canada Slogans

When we purchase goods "Made-in-Canada" Canadians get the goods.
Canadians keep the money in circulation.
Canadian labor is employed.
And Canadians are not called upon to support the families of the unemployed.

When we purchase foreign made goods Canadians get on the goods.
Canadians do not get the money for circulation.
Foreigners get the money.
And, foreign labor is employed while Canadian workmen are idle.

Buy Goods
"MADE-IN-CANADA"
and you start your money on a road that leads back to YOU

MAINTAINING OUR PRODUCTIVE POWER

The Dominion's Prosperity Depends Upon Ourselves—War and Industry

The war in Europe may result one way or another, but in Canada, unless the Canadian people make a special effort to safeguard the interests of the nation, it is bound to have a most serious effect. The boundary lines of Europe may or may not be altered, the war may last for many months or even for years, it may ruin scores of the belligerents and bring forth to others; but for Canada it is likely to mean a serious economic set-back unless the Canadian people as a whole co-operate to fend off the evil effect of the war. Two things must be borne in mind by every Canadian man and woman, from the humblest to the most wealthy; first, to preserve the spirit of optimism and self-confidence, so as to continue the conduct of our affairs in a manner as nearly normal as possible; and secondly, to preserve the money resources of the Dominion by spending it for Canadian-made goods, and thus keep it from passing out of the country and into the pockets of foreigners. This need not be done in the spirit of helping Canadian manufacturers; keeping Canadian money in circulation in Canada is an act of national self-preservation. It is necessary for the good of the whole nation.

KEEP YOUR MONEY IN CANADA BY PURCHASING YOUR GOODS AT HOME

SPEND YOUR MONEY AT HOME

The money which you spend today on a tin of baked beans, "Made-in-Canada," will indirectly stimulate your own particular line of business, whether farmer or factory worker. But the money with which you buy an imported can of beans goes out of the country completely. It buys the wages of foreign workmen who, in turn, spend their wages where you will never benefit by the circulation of the money.

SPEND MONEY AT HOME AND IT STAYS AT HOME

EMPIRE MADE CHRISTMAS TREE

Montreal Advertising Men Advocated British Empire Christmas

The Montreal "Daily Mail" of two or three weeks ago gave the following account of a meeting of the Montreal Press and Advertising Club at which the British Empire Christmas tree was launched. It met with general approval. "Attention was called to the fact that at this season of the year the average expenditure per man would be greatly above normal, and that everything possible should be done to keep this money in Canada. The idea set forth was that every Christmas gift made this year, should be something made in Canada or within the Empire. Even the Christmas trees should be British Christmas trees. 'If we are to hang German toys on our Christmas trees, all our patriotism is wasted,' declared Mr. W. H. Thompson, speaking in support of his motion in favor of an Imperial Christmas. He said that the matter was of vital importance to the trade interests of Canada.

ADVERTISING RATES ON APPLICATION.

JNO. A. CARSWELL,
Editor and Proprietor.

WEDNESDAY, JANUARY 13, 1915.

TOO MANY WANT TO GO.

Again we must draw attention to the fact that many of our best young men have come to Red Deer offering their services to the country in defence of the old flag, and they have been compelled to return home again, as our country can find no place for them. We first received a list of 122 men who were required in Red Deer. Then the number was reduced to less than one hundred. As there were more than two hundred applications, a large number had to be refused. It is hoped that soon there will be an opening for all who want to enlist, and in the meanwhile all honor to the gallant young loyalists who are flocking to the colors. They represent the best we can offer in the west, and they can rest assured that they are appreciated more than less because so many are anxious to serve that an opening cannot be found for them at the present time.

New States Market Opens Up For The Alberta Hog

(Calgary Albertan)

Still another destination for the Alberta hog was found yesterday, when O. A. James yesterday shipped 1,100 hogs to the Minnesota transfer, for shipment to various localities in the States. It is stated that it will be a step further in maintaining the independence of the Calgary yards, which have not, been tied down by eastern Canada markets since the Pacific market was opened to it.

Mr. James has assurance that this new market can be successfully developed. For the past week he has been gathering some fine specimens of Alberta hogs and these were assembled and sent forward last night.

Minnesota transfer is the clearing house for hogs for practically all that and neighboring states, where the export hog production is not on an immense scale. The demand is good, and the hogs from this district can be profitable sent forward. This province already breed lots of the particular variety demanded, the very light and the very heavy hog being required.

Heavy shipments of hogs have also been going east this week. Mr. James has himself shipped eight cars to Moose Jaw Tuesday, and seven cars Wednesday, while Swift Canadians have shipped quite a number of hogs east.

HEAVY RUN OF HOGS. Indications that this year is going to be a big one in hogs marketed, was given at the Alberta stockyards yesterday, when nearly 2,500 hogs were disposed of. Only one previous day in the whole history of the yards has exceeded this run.

Prices behaved peculiarly, thanks to unsettled conditions. The market opened fairly strong at \$6.62 1/2, and the price dropped to \$6.55. Frye and company, of Seattle, then came along and through their agent paid \$6.45 for large consignment direct from the farmers. These out of the road, more hogs came forward, and sold at \$6.55, while they gradually gained in price and finally, closed at \$6.60.

Cattle were stronger yesterday and sold at an advance of about 10 cents on the previous day. About 200 were forwarded, and tops sold at \$6.60.

A carload of ewes were disposed of at around 51 cents.

District News

CASTOR.

Mayor Matthias presided over the first Council meeting for 1915, 'held on January 4th. A large amount of business was carried through, including appointment of committees and the re-appointment of town officials at the same salaries as 1914.

Sullivan Lake baseball team are giving a dance in the school house on Friday, January 15th.

The Castor hockey team journeyed to Stettler on New Year's Day and played the team of that town a friendly game, which ended after fifteen minutes overtime play, in a score of 6-6. Not bad for the Castor boys seeing this is the first time they have seen a 'rink this season.

Chas. Olson, writing from Salisbury Plain, England, to S. A. Fawcett, says he has seen London, etc., entirely worth while. Expect to be at the front in March.

ASPELUND-BLINDMAN NEWS.

F. H. Miller was re-elected by acclamation as Councillor in this district for the following year. Fred handled the district's affairs satisfactorily last year, and was worthy of re-election.

The Aspelund school district held its annual meeting in said school house last Saturday. Christ Hill was elected trustee to succeed O. Egeen, who has served on the Board for three years.

Cochran Bros., from near Mountain House, are working in this district with their hay press, having baled for J. B. Egeen and Chas. Wells.

A few farmers around here clubbed together and shipped a car load of choice hogs from Blackfalds last Monday. Tuesday morning the price of hogs fell down to 55c. Price realized was 6.10 per cwt. The shippers were deemed a lucky bunch.

C. B. Egeen is taking his gasoline engine to Red Deer, where he will do custom grinding this winter.

H. Andersen has been on the sick list for some time, but we are glad to see him beginning to be able to be around again.

Mr. and Mrs. Hedemark took a trip to Sylvan Lake the first part of the week to visit their daughter, Mrs. O. Neslin, and look after some property they have at the Lake.

STETTLE.

J. Church, a Serbian, well known in town, who has been conducting a salubrious business here, committed suicide last Thursday morning by taking carbolic acid. Mr. Church had been much excited about the war, saying that he could not get to the front, and it had adversely affected his mind. His wife had attempted to take the bottle away from him, but he had not let her, and she was unable to do so. He left a letter stating that he had been suffering from stomach trouble for some time, and it was so acute that he determined to end his life. An inquest took place Thursday with the following jurors: Messrs. J. Taggart, W. Davis, Harry, Blair and J. Lewis, who returned the verdict that he had committed suicide while temporarily insane.

The funeral took place on Sunday, under the auspices of the Masonic Lodge. He leaves no property to his widow but had life insurance of \$5,000.

Little Emma Schertenleib, the young daughter of P. Schertenleib, had a narrow escape from a fatal accident last Saturday, when she was caught up in the flywheel of a gasol re engine which was being operated on her father's farm.

Schertenleib had started the engine to saw wood, and the little girl had approached too close with the result that her clothes were caught and she was drawn up in the belt before the engine could be stopped. Her clothes were torn off her, and her left arm was broken and one of her feet badly bruised. The engine was stopped none too soon. The tearing away of her clothes probably saved her life. She is getting on fine since the accident, and will soon be able to be out again.

FROM THE TRENCHES

A good story is going the rounds of the trenches in France. It appears that an Irish sergeant, having lost all his officers, was put in charge of the remnants of his company and told to keep his position, a very serious one at that, as long as possible.

For forty-eight hours the Germans were unable to move this brave company, and then the sergeant got word from General French stating that relief would soon be at hand, winding up his message by asking "How are things with you?" meaning the position and strength of company. Back went the reply: "Can hold out as long as needed. Am very well, thanks. How are you?"

Rifle Club

The Rifle Club is practising for the Dominion competition. In this competition the decimal system of scoring is used, that is, there is a half inch bull, around which are ten concentric circles, diameters increasing by half an inch. Bulls-eye counts ten and each outer circle reduces score by one. Ten shots and one sighter are fired. Highest possible score is 100. Saturday night's, January 3rd, scores:

**EIGHT INCLUDED IN HONOR
LIST FOR NEW YEAR'S**

Hon. George Perley and Hon. Clifford Sifton Take Prefix of Sir.

London, January 1.—His Majesty has been pleased to give directions for the following promotions and appointments, the list including eight Canadians, two of whom have been honored with a K.C.M.G. and four with K.B., thus taking the prefix "Sir":

To be knight commander of the order of St. Michael and St. George: Hon. George Perley, acting Canadian high commissioner.

Hon. Clifford Sifton, K.C. Wilfrid Collet, C.M.G., governor and commander in chief of British Honduras.

George Basil Haddon Smith, C.M.G., governor and commander-in-chief of the Windward Islands.

To be knight bachelor: Hon. Francois Xavier Lemieux, acting chief justice of the Superior court of the province of Quebec.

Herbert Samuel Holt, Esq., of Montreal, president of the Royal Bank.

Captain Olive O. L. Phillips-Welley, of Victoria, B.C.

William Price, Quebec.

William Kellman Chandler, L.L.D., C.M.G., master in chancery and judge of assistant court of appeal, Barbados.

Robert Stewart Johnston, Esq., lately chief justice of Granada.

To be commander of the order of St. Michael and St. George: George J. Joseph Desbarrats, Esq., deputy minister and comptroller of naval service, Canada.

Surgeon Major General Eugene Finet, M.D., D.S.O., deputy minister of militia and defence, Canada.

Edward Allan Gramann, Esq., receiver-general of Mauritius.

**BRITAIN WILL MAKE A
PROPOSAL TO AMERICA**

**Would Establish Tribunal to
Decide Disputed Points Regarding
Neutral Shipping**

London, January 4.—It is possible, according to reliable reports, that the British government will propose to the United States the establishment of some sort of a tribunal, composed of representatives of England and America, to pass on disputed points arising from Great Britain's policy toward neutral shipping. This tribunal of arbitral commission would take cases as they came from the prize court. America had any objection to offer to the prize court's application or interpretation of international law, an appeal would be made to the tribunal which would sit in London. At the same time the British government would expedite the prize court's work, eliminating delays there and also elsewhere so that seized ships and cargoes could be acted on with a minimum of delay.

Malaya, which used to set thousands of people into perpetual shiver annually, is lessening its hold because of preventive sanitary measures. Yet with all this we have in the midst of a people stricken with tuberculosis, typhoid fever, scarlet fever, measles and whooping cough, and only make feeble efforts to drive from our land these unnecessary and preventable disorders.

One might say of disease what has been said of vice, that "It is a monster of so frightful mien As to be hated, needs but to be seen; Yet seen too oft, familiar with her face, We first endure, then pity, then embrace."

There does not seem to be as much truth in the last half of the quotation as in the first.

The time is coming, however, when contagious disease will be a matter of history. The greater efforts made now, the sooner will our country come into inheritance of better health and consequently increased happiness.

**Demand Release of
British Consul**

London, December 31.—The Rome correspondent of the Daily News says: "I am informed that at tomorrow's cabinet council a decision will be reached in connection with the incident at Hodeida, which is still in abeyance. The government's patience is exhausted, and Turkey has been peremptorily notified that the British consul at Hodeida must be released immediately and that the gentlemen who broke into the Italian consulate be punished."

"Turkey has been warned that to resume for further delay will be accepted. A satisfactory reply is demanded within two days."

The I.O.D.E. Red Cross Committee have received their meeting at the City Hall on Tuesday afternoon from 2.30 to 5.

The committee begs to acknowledge words returned as follows:

Mrs. F. H. Parks, Shady Nook, 1 belt; Mrs. Rutter, 1 belt; Mrs. Cottingham, 1 belt; Miss George, 1 pair writers; Mrs. Vindberg, 2 pair writers; Mrs. Greene, 1 belt; Mrs. George, 1 helmet; Mrs. Dunbar, 4 boom wires; Mrs. Dunbar, 1 shirt; Miss Meeson, 1 pair writers; Mrs. Spillard, 1 belt; Miss Spillard, 2 pair writers.

Also the following donations: Mrs. Howarth, 1 pair writers; Mrs. Beakley, 1 pair writers; Mrs. Page, 1 pair writers; Mrs. J. Wallace, 4 pair socks.

**HIS HEALTH IN A
TERRIBLE STATE**

**"Fruit-a-lives" Healed His
Kidneys and Cured Him**

HAGHERVILLE, ONT., AUG. 26th, 1913.—"About two years ago, I found my health in a very bad state. My kidneys were not doing their work and I was all run down in condition. I felt the need of some good remedy, and having seen 'Fruit-a-lives' advertised, I decided to try them. Their effect I found more than satisfactory."

Their action was mild and the result all that could be expected."

My kidneys resumed their normal action after I had taken upwards of a dozen boxes, and I regained my old time vitality. Today, I am enjoying the best health I have ever had."

"Fruit-a-lives" is the greatest kidney remedy in the world. It acts on the bowels and skin as well as on the kidneys and thereby soothes and cures any kidney soreness.

"Fruit-a-lives" is sold by all dealers at 50¢ a box, for \$2.50, trial size 25¢, or will be sent on receipt of price by Fruit-a-lives Limited, Ottawa.

**Prevention Better
Than Cure**

"An ounce of prevention is better than a pound of cure." So runs an old adage. If one follows up the history of the race, in so far as it relates to disease, the truth of this is apparent.

Moses, the ancient lawgiver, ordained that all lepers should remain without the camp, and warn of who came near that they were unclean.

In Europe in the middle ages lepers were cast out of the cities and collected together in appointed places so that there was no danger of others being infected.

Stove in his survey of London, written in the 16th century, says that there were lepers' hospitals in isolated parts of the city, "time out of mind."

At the present time in civilized countries leprosy is little more than a name, because of the strict measures taken by the authorities from the time of Moses on.

Yellow fever claimed countless lives in tropical America for years on end. The discovery of the fact that the mosquito carried this dread disease from the sick and dying to the unsuspecting healthy person brought about a campaign of extermination which has banished "Yellow Jack," as it was frequently called, from Panama and Havana, which were at that time veritable pest holes.

Smallpox, which killed such hordes in Europe a few centuries ago, has been controlled by vaccination and, in routine that today it is less to be feared than measles.

Alalaria, which used to set thousands of people into perpetual shiver annually, is lessening its hold because of preventive sanitary measures. Yet with all this we have in the midst of a people stricken with tuberculosis, typhoid fever, scarlet fever, measles and whooping cough, and only make feeble efforts to drive from our land these unnecessary and preventable disorders.

One might say of disease what has been said of vice, that "It is a monster of so frightful mien As to be hated, needs but to be seen; Yet seen too oft, familiar with her face, We first endure, then pity, then embrace."

There does not seem to be as much truth in the last half of the quotation as in the first.

The time is coming, however, when contagious disease will be a matter of history. The greater efforts made now, the sooner will our country come into inheritance of better health and consequently increased happiness.

**TEDDY ROOSEVELT WRITES
REGARDING HAGUE
VIOLATION**

Former President Has Something to Say About Government in This Connection.

New York, January 4.—In an article written for the current issue of the Independent, Col. Roosevelt says, under the caption "Utopia of Hell":

"To violate these conventions, to violate neutrality treaties, as Germany has done in the case of Belgium, is a dreadful thing. It represents the gravest kind of international wrongdoing; but it is not quite so contemptible, it does not show so shortsighted and timid inefficiency, and above all, such selfish indifference to the cause of permanent and righteous peace as has been shown by the United States (thanks to President Wilson and Secretary Bryan) in refusing to fulfill its solemn obligation by taking whatever action was necessary in order to clear our skirts from the guilt of acquiescence in a wrong which we had solemnly undertaken to oppose."

"If I had for no moment supposed that the guarantee effective, nations meant literally nothing other beyond the expression of a pious wish which any power was at liberty to disregard with impunity in accordance with the dictation of self-interest, I would certainly not have permitted the United States to be a party to such a mischievous farce."

President Wilson and Secretary Bryan, however, take the view that when the United States assumes obligations in order to secure small and unoffending neutral nations against hideous wrong its action is not predicated on any intention to make the guarantee effective.

"They take the view that when we are asked to redeem in the concrete promises we made in the abstract, our duty is to disregard our obligations and to preserve ignoble peace for ourselves by regarding with cold blood and timid indifference the most frightful ravages of war committed at the expense of a peaceful and unoffending country. This is the cult of cowardice."

Mr. Roosevelt points out to Germany that its strongest where acts warranted any interference by the United States.

Prisoner of Zenda—Anthony Hope. Princess of Thule—Wm. Black. Red Pepper Burns—George Richmond.

Refugees, The—Con Doyle. Regeneration of Aunt Mary—Anne Warner.

Richard Fernal—George Meredith. Round the Corner in Gay Street—Grace Richmond.

Rose Door, The. Saint Hario—Marion Crawford. Six Nippon—John Doyle.

Settlers in Canada—Capt. Marryat. Shadow of a Crime; The Deemster—Hall Cairne.

Son of Hagar; A. She's All the World to Me—Hall Cairne. Trees Musketeers—Alexandre Dumas.

Tom Burke of Ours—Chas. Lever. Twenty Years After—Dumas. Vicar of Wakefield—Goldsmith.

Victims of Bragelonne—Dumas. Windsor Castle—Ainsworth. Winning of Barbara Worth—H. B. Wright.

With Wolfe in Canada—Henty.

The following books, having a direct bearing upon the great European conflict, have arrived at the Library, and will be upon the shelves for circulation in the course of a few days.

The Great Illusion—Angel. How France is Governed—President. Europe—Princo Von Below.

Historical Development of Modern Germany—Andersson. History of Germany—Her People and Their Story—Gifford.

Frederick the Great and the Rise of Prussia—Redway. Bismark and the Foundation of Germany—Headlam.

The Two Hague Conferences—Hall. Germany of Today—Tower. History of Our Own Time—Goebel.

Navy and Sea Power—Hannay. French Revolution—Belloc. Medical Europe—Dumas.

Napoleon—Fisher. The Story of Hungary—Vanbrey. The Balkans—Miller.

The War Machine. The World's Work.

Discussion took place regarding the bling up at the slough on the road allowance at Block 30, Fairview, being a continuation of Forrest Street. Councillor Durand moved that permission be granted for the removal of the material at this point.

It was decided later, upon motion of Chairman Kent, to permit city carters to deposit manure at this point if they so desired.

A number of ratepayers were present, and discussion took place regarding different matters of interest to the village, the chief topic being the alleviation of distress in the village where some was known to exist. Definite steps are being taken to provide work for the heads of families wherever it may be possible. The meeting adjourned to meet when called.

Public Library

The Library Board met on December 31st. The resignation of Miss Greene was accepted with regret, and Miss Fyson chosen as librarian out of a number for the position. The Library has already justified its existence, and is being used freely by the reading public. The extent to which the Library is being used is seen by the comparison of numbers for November and December.

The following is the monthly record of the books borrowed from the Library for December:

Philosophy, 9; Religion, 6; Sociology, 10; Science, 6; Useful Arts, 9; Fine Arts, 9; Literature, 9; History, 15; Fiction, 420. Total 250.

Total number taken out in November, 200.

The following is a list of the new fiction recently placed on the shelves. For the convenience of the public, the list is arranged alphabetically by titles:

Bondman, The; Blind Mother, The; Last Confession, The—Hall Cairne.

Calling of Dan Matthews, The—Wright, H. B.

Captain Singleton—Daniel Defoe. Castaway, The—Hallie Erminie Rivers.

Cathedral Courtship—Kate Douglas Wiggin.

Darrell of the Blessed Isles—Bachelier.

Days of Bruce—Aguilar, Grace. Day Cruise—R. N. Hallantyne.

Donkey and Son—Dickens. Fair Maid of Perth—Walter Scott.

Framley Parsonage—Trollope—A. S. J. Weyman.

Golden Dog, The—Wm. Kirby. Great Expectations—Dickens.

Handy Andy—Lover, Samuel. Harry Lorrequer—Lever.

In Kedar's Tent—Werriman. In Kedar's Tent—Werriman.

Results in North America—Parkman.

La Salle and the Discovery of the Great West—Parkman.

Lorimer of the Northwest. Maid of Sker, The—Blackmore.

Malcolm—George McDonald. Marquis of Lossie—George McDonald.

Distress of Stenstone—Florence Barclay.

Montaigne and Wolfe, Vol. 1 and 2. Parkman.

Nada, the Lily—Ryder Haggard. Old Saint Paul's—Ainsworth.

Old Regime in Canada—Parkman. Oliver Twist—Dickens.

Pickwick Papers—Dickens. Plain Tales from the Hills—Kipling.

Prisoner of Zenda—Anthony Hope. Princess of Thule—Wm. Black.

Red Pepper Burns—George Richmond. Refugees, The—Con Doyle.

Regeneration of Aunt Mary—Anne Warner. Richard Fernal—George Meredith.

Round the Corner in Gay Street—Grace Richmond. Rose Door, The.

Saint Hario—Marion Crawford. Six Nippon—John Doyle.

Settlers in Canada—Capt. Marryat. Shadow of a Crime; The Deemster—Hall Cairne.

Son of Hagar; A. She's All the World to Me—Hall Cairne. Trees Musketeers—Alexandre Dumas.

Tom Burke of Ours—Chas. Lever. Twenty Years After—Dumas.

Vicar of Wakefield—Goldsmith. Victims of Bragelonne—Dumas.

Windsor Castle—Ainsworth. Winning of Barbara Worth—H. B. Wright.

With Wolfe in Canada—Henty.

The following books, having a direct bearing upon the great European conflict, have arrived at the Library, and will be upon the shelves for circulation in the course of a few days.

Usual prices.

FARMERS, ATTENTION!

Highest cash price paid for first quality potatoes, delivered in Red Deer.—MAGGREGOR, Florist, new Michener Block. Jan 13

City of Red Deer

NOTICE

Persons who have purchased or disposed of property in the City or School District of Red Deer since the last assessment roll was made up, are requested to notify the City office at once, as the 1915 roll is now being entered.
A. T. STEPHENSON, Assessor.
Jan. 13, 1915.

LOCAL AND GENERAL

Fresh daily, select table fruits and green vegetables, at McGREGOR'S.

Try your keys for the beautiful grandmaster clock on Saturday, 10th. Mrs. Hooper Meers returned home from her trip to the coast on Saturday.

Mrs. R. B. Welliver will not receive again until the second Wednesday in February.

G. W. Willan and Mr. Owen, of Estabrook, were visitors in the city on Saturday last.

Miss Eva Vineberg is enjoying a few weeks' holiday with Mr. and Mrs. Harry Vineberg.

Mrs. C. J. Rutter has been called to Petrolia, Ont., owing to the illness of her sister.

H. Johnson, of the Customs Dept., Calgary, is relieving D. G. Horn, customs officer, who is away on a holiday.

Try your keys on Saturday at Smith's. Lady with the largest number gets a diamond ring; gentlemen get a gold watch.

Mr. Varley, wife and daughter, Miss Marshall, and Mr. and Mrs. Shelley, of Calgary, are visiting Dr. and Mrs. De Long, of North Red Deer.

Mrs. Geo. Math and son Clifford have returned to their home in Revelstoke, B.C., after spending a week with her sister-in-law, Mrs. E. McLaughlin, 2nd St. South.

The sale of tickets for the last seat, presented by Mrs. William Pearson, of Valley Centre, in aid of the Belgian relief fund, amounted to \$37.50.

All members of L.O.L., No. 1025, are requested to attend the installation of officers on Friday, January 15, 1915, at 8 p.m. A chicken supper will be provided by the ladies.

The London Daily Mail of November 24th shows in a series of war pictures one of a burial scene in which the officiating clergyman bears a striking resemblance to the Rev. C. W. G. Moore.

Crockery, china and imported glassware has advanced 50 cents to the pound sterling, plus extra war freight and insurance. All prices remain the same until February 1st at J. C. Brazier's store.

The piano contest at Gaetz-Cornett was won by Miss Maggie Smith with the approximate number of 138,000 votes, Eastern Star second with 64,000, and Miss Gladys Alford third with 25,000.

Carl Eggen, who recently took over the implement agency from Messrs. Cochrane and Whalley, is a rustler and proving himself capable of looking after the business. He will be glad to see old and new friends.

Nazarene Church (Mission), 497, Ross St. East, Sunday School at 10 a.m.; preaching at 11 a.m.; song service and preaching at 7:30 p.m.; Prayer and praise Wednesday at 8 p.m. Young people's meeting Friday at 8 p.m. All welcome.

Sergt. Major Harvey, wife, and mother, were the guests of officers of G. Company, 31st Battalion, 2nd Contingent, at Calgary, to dinner, December 30th. Sergt. Major Harvey was also the recipient of a fine silver cigarette case from the Company.

The winners of the competition at the Standard Drug Co. were as follows: 1st prize, Columbia graphophone, Ruth Peterson; 2nd, camera, Mrs. C. B. Schulz; 3rd, Fountain Pen, Miss Slough. The children's prizes were won by 1st, Roy Pearson; 2nd, Lillian Godmundson.

A temperance lecture will be given in the Presbyterian Church on Tuesday, January 19th, by Clinton N. Howard. Admission free. Collection to defray expenses. Those living in outside districts should make an effort to be present, as Mr. Howard is both a popular and powerful speaker.

E. N. Welch has sold the following properties recently: N.W. 1, 23-26-27, W. of 4th, to E. L. Spencer, New Jersey. House and two lots, in North Red Deer, to James Spier. Property and general store, Sylvan Lake, to James Myers, Red Deer. 15 lots in North Red Deer and 1 lot in West Park to Fred Collins. West 1, 18-36-23, to E. P. Cronquist.

Dr. Grant returned from the Old Country last week.

Dr. and Mrs. Washburn were visiting friends in the city last week.

Mrs. (Dr.) John Collison will not receive again until the third Friday in February.

The Secretary of the Board of Trade has an opening for a girl on a farm.

Miss Hazel Mann returned from her visit to relatives in Ontario on Saturday last.

Don't forget to send or bring your keys to Smith's any time after Jan. 15th. You may get the clock.

Wanted—Farm to rent. We have some good applications for farms to rent. Let us know what you have to offer.—Michener, Carscallen & Co.

The Belgian Relief Committee beg to acknowledge the receipt of a cheque for \$5 from the Clearview Springvale Institute, per Mesdames Revue and Saunders.

C.P.R. Superintendent, P. F. Weisbrock, of Calgary, was in the city on Monday, accompanied by District Master Mechanic Remick and Roadmaster Carlson.

Wanted—Farms for sale. We want listings of some good places within ten miles of Red Deer. We are in touch with buyers.—Michener, Carscallen & Co.

The regular patrons of the Lyric, augmented by the presence of a large number of recruits for the mountedettes, were not slow Monday night in showing their appreciation of the stirring music played by the orchestra. Tipperary was sung by everybody present.

For the soldiers' recreation rooms we need one or two more crockpots and checker boards. We shall be glad to receive also any other games suitable for the men. We can make use of more current literature. These can be left at the Methodist Church at any hour during the day or evening.—T. A. Wilson, Chaplain.

Mrs. Gaetz would be grateful for the loan of a number of coal oil heating stoves from citizens to assist in the heating of the armory building, as he is expecting colder weather, and the furnaces will not be sufficient for the room quarters. The heaters will be taken care of and returned when through with.

Nurse Logan, of Edmonton, met with a very serious accident during the holidays while tobogganing. She was going down the slide with friends when the toboggan ran into a tree, and she was thrown against the tree, fracturing six ribs. She was in a critical condition for some time, but her many Red Deer friends will be pleased to know she is now improving.

This evening, Wednesday, January 13th, at eight o'clock, is the date of the annual meeting of the congregation of the Presbyterian Church, Red Deer. All who are interested in the work of the church are invited to be present. The people will be asked to consider certain questions which call for a large attendance. The ladies will serve refreshments, and a get acquainted social time will be spent at the close of the business.

Mrs. Quigg has just received news of the death of her brother-in-law, Captain Johnston, killed recently in action. The deceased officer was born in 1874 and resided at Snow Hill, County, Fermanagh, Ireland. He served through the Macedonian disturbances in 1907 and in the South African war. He joined the Leinster Regiment in September, but was attached to the Connaught Rangers. Captain Johnston was grandson of the twelfth Lord Louth and son of Colonel Johnston, who had been through the Crimean war.

DEATH

Many people in Red Deer will hear with regret of the death of Mrs. Kenneth McLean, of Edmonton, who resided for some years here. The deceased lady was taken ill on Wednesday, December 30th, and died on the following Saturday, January 2nd. She leaves, besides her husband, three children, Melville, Vera and Vivian, to mourn her loss.

L.I.D. 339

Hides 75c

Eckville

The Bentley orchestra, six pieces, will provide the music for a dance to be given in the Town Hall on Friday, the 15th, of January. This music comes with an excellent name, and a good time should be assured. The many friends of Mr. and Mrs. Rasmussen and family gathered to a house warming party last week. "There were girls from every barony and boys from every part," in fact, you would wonder where all the people came from. Everybody enjoyed themselves, and the party did not break up until daylight.

There is good skating on the river just east of town, and ladies are to be found skating there almost every afternoon. Mrs. Robinson, of Evans, was a visitor in town last week. Residents in the Rocky Mountain House district feel the need of a telephone as much as we do, and, like us, cannot understand why they have not got it. They say the poles are out and rotting. No wonder the department of Telephones complains that their system is not making enough to clear itself. It's our fault if we are not able to telephone to the Mountain House before very long.

Correspondence

Red Deer, Alta., Jan. 11, 1915.
Editor,
Through the medium of your paper I wish to thank, on behalf of the students, the citizens for their generous patronage of the concert in the assembly hall. I also wish to thank Mr. J. Cruickshank for lending a team and driver, and Mr. H. G. Stone, who so kindly prepared the banner used by the students for advertising. The amount of the collection was \$22.60, which amount has been handed over to Mrs. W. D. Lees, G. W. McKENZIE, Principal of Schools.

HOCKEY NOTES

Game Friday Night.

At a meeting of the Hockey Club on Monday night it was arranged that an addition of three rows of reserved seats be added at the skating rink, which will give particularly good accommodation for the ladies. The Hockey Club are anxious that the ladies turn out in large numbers on Friday night and each night during the league matches and assist the boys, and not only to assist them by their presence, but to root for them. They are out to win.

The hockey match between Lacombe and Red Deer on Friday night, Jan. 15th, at Red Deer, promises to be one of the fastest ever seen in Red Deer. Lacombe is going fast; their team is there with all its old time speed and clever work. Our boys are playing just as good a brand of hockey this year. Don't forget the date, and be there. You will not regret it. Game called for 8 o'clock sharp.

LAND WANTED.

Improved half-section or three-quarter section. Apply CUNNINGHAM LAND CO. Dec. 23, 1915.

for Red Deer District and will handle in addition Sawyer-Massey Engines, Threshers and Road Machinery, also Buggies, Pumps, Windmills, etc.

A large experience in the west enables me to guarantee to all who favor me with their patronage, the best of service.

Come in and let us get acquainted.

MUCH less defective eyesight would exist if the children's eyes were looked after in their early days. Watch the kiddies' eyes! At the least sign of pain, blurring, or any complaint, no matter how small, bring the child here and let us examine them. It may save your child a lifetime of misery, and you have the satisfaction of knowing the exact state of your youngster's eyes.
